This is a feature of the book worthy of special mention-a feature occuliar to book. Any good medical work will tell you what to do, IF YOU KNOW BEAT THE DISEASE IS, but the difficulty is you cannot tell from the book what it is. Fo find out you easle is, but the united by a cannot be in the second with this view: written generally in the interest of the profession. With "Our Family Physician" you can tell yourself what the matter is, just as unerringly as a doctor could. In this respect the book differs from all others; and even if you have others you need this book also. It is a book that after using six months no parent would part with for 850.

It will save from \$10 to \$50 every year in any family.

We have had a spe ial edition of this standard and well-known work elegantry bound, 544 pages—the same style in which in bookstores it sells for 83—printed for use by this paper as a premium. Until February 1, 1887, we shall offer this valuable books rether with a year's subscription to the WEEKLY REPUBLIC for \$1.50 In other words we will sell you the book for \$1.50 less than its regular established ce and give you a year's subscription to the WEEKLY REPUBLIC for nothing.
